Los Coyotes Indian Reservation, San Diego County– Winter Thunderstorm Flash Flood

On 04/11/16, as a result of rains and flash flooding on the Los Coyotes Indian Reservation in San Diego County, Cal EOC Mission Tasking number 2016-Southern-22320 was approved to address the community life safety needs, road repair, and other critical concerns in conjunction with FEMA, Bureau of Indian Affairs (BIA), Cal OES Southern Region, Cal OES Tribal Advisor, Caltrans Region XI, San Diego County OES and Los Coyotes Tribal personnel.

- Mission Tasking number 2016-Southern-22320 has been closed. Caltrans removed the plates on Tuesday, 05/03/16 at about 1030 hours. Plates will still be required before the asphalt can be poured. BIA has acknowledged that the work crew on-site has steel plates available. The asphalt installation may take place on Thursday, 05/05/16.

Large-Scale Hazardous Materials Release Exercise, Lake County

On 05/05/16, Cal OES Coastal Region will be participating in a large-scale exercise/drill simulating a hazardous material accident and exposure at multiple locations within Lake County.

- An increase in law enforcement, fire department, emergency management, and emergency medical services personnel will be noticed at all exercise related areas.
- There are no road closures planned and the drill should not interfere with the public.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels		
National	Northern California	Southern California
Preparedness Level 1	Preparedness Level 1	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2
